MAP LOCATION

Geology mapped largely by J.C. Clark and E.E. Brabb, 1988-89, supplemented with mapping by T.W. Dibblee and E.E. Brabb, 1978; W.R. Dupré, 1978; and field data contributed by R.O. Burford (1961) and R.K. Smith (1971). San Andreas fault zone mapped by A.M. Sarna-Wojcicki, E.H. Pampeyan, and N.T. Hall (1975), and by R.J. McLaughlin and J.C. Clark (1989-91). Upland area northeast of San Andreas fault mapped by R.J. McLaughlin, 1988-91.

Digital database by Z.C. Valin, C.M. Wentworth, J.L. Minnick, T.E. May, C.R. Randolph, and Patrick Showalter

Edited by J.L. Zigler

Manuscript approved for publication July 20, 2001

Any use of trade, firm, or product names in this publication is for descriptive purposes only and does not imply endorsement by the U.S. Government.

This map was printed on an electronic plotter directly from digital files. Dimensional calibration may vary between electronic plotters and between X and Y directions on the same plotter, and paper may change size due to atmospheric conditions; therefore, scale and proportions may not be true on plots of this map.
